

CAN'T YET!

"I can't" is not a phrase for me.
It's not the goal that I will see,
For I determine what will be.

If I by accident forget,
And say, "I can't," then it's a bet
That I will quickly add a YET!

There's nothing here that I CAN'T do;
I know my dreams can all come true.
"CAN'T YET" is what I choose to do!
