

CASEY'S PRAYER

*Thank you, God, for this great day
and all the things that came my way.*

*And with tomorrow's coming light
help me to always do what's right.*

*Please help me walk in happy shoes
and learn from every path I choose.*

*The lessons that are there for me:
to be the best me I can be.*

*So when I lay me down to rest,
we'll know I've done my very best.*
