

GET TO

Changing HAVE TOs into GET TOs is what smiles are all about,
Choosing what the future holds by how WE work things out!

Seldom do we have a choice in what life sends our way,
But what we choose to see in it, now there we have a say!

When life is getting tedious and your future's looking dark,
Give your attitude a jolt; aim for a higher mark!

Stand up tall. Call forth a SMILE. Change how you talk to you.
Instead of "Oh, I have to," use "Look what I get to do!"
